

The Second Annual California Reading Apprenticeship Conference

Join educators from across California to learn more about how they use the Reading Apprenticeship framework to create and support more equitable learning environments. Reading Apprenticeship helps students to develop positive literacy identities, to engage with challenging academic texts, and to persist in their academic endeavors.

College of San Mateo
May 19 and 20, 2017
Registration: \$75

Fly into SFO and stay at
San Mateo Marriott San Francisco Airport
